CANU FORUM 2025 | TORONTO | OCT 16-18

LIMBERLOST PLACE @ GEORGE BROWN COLLEGE WATERFRONT CAMPUS

CanU is dedicated to improving City-Building practices, research and education in order to create sustainable, healthy and livable cities and communities across Canada.

THE COUNCIL FOR CANADIAN URBANISM MISSION IS TO:

- Advocate for Canadian urbanism;
- Educate city-building professionals, political representatives, and the public about Canadian urbanism;
- Communicate and share with other professionals;
- Lead a movement towards a more sustainable future

As part of this mandate, every year CanU brings some of Canada's most dedicated and engaged urbanism professionals from across the country together for city building conversations in various Canadian cities.

CANU FORUM 2025

CHA[Ille]NGE

CANU FORUM 2025 | TORONTO | OCT 16-18

CITIES STAND AT A CROSSROADS.

WILL WE RISE TO THE CHALLENGE—OR BE OVERTAKEN BY CHANGE?

The Council for Canadian Urbanism Forum 2025: CHA[Ille]NGE is not just another conference. It's a call to action. Climate change is reshaping our landscapes. Housing affordability is slipping beyond reach. The urban fabric is fraying under pressure. But this is our opportunity—our chance to design a better future. This forum is where ideas collide, transform, and activate real change. It gathers visionaries, leaders, and disruptors to tackle the biggest urban challenges head-on—with solutions that don't just react to change but lead it. If you believe that inclusive cities are the key to our resilient future, this is where your voice matters. The future will not wait. Will you be part of the movement?
